Our Centre is required (on both days) to set up the ground with all of the equipment and this will be the **major component** of what we will need to do, so we need volunteers to start early and finish late to complete. As well as this, there will be a small emphasis on supplying, Starters & Assistants, Timekeepers, Judges, Marshals, and Equipment Officials. **Entries will not be taken unless parents accept that they will be rostered to help.** Any problems or queries see Peter Thomas or email petert44@hotmail.com
